1. CALL TO ORDER AND DETERMINATION OF QUORUM

Chairperson Branch called the meeting to order at 10:00 a.m. A quorum was present at that time.

2. APPROVAL OF MINUTES

A **MOTION** was made by Board Member Swindell and supported by Board Member R. Gaber to approve the board recommendation minutes from the February 6, 2008 meeting. **MOTION CARRIED.**

3. APPLICANTS APPEARING BEFORE THE BOARD

Mr. Bryon A. Anderson, Journey Applicant, appeared before the board requesting permission to take the Journey Plumber Examination. Mr. Anderson provided documentation verifying his out-of-state license was obtained through substantially the same requirements as the State of Michigan.

After a discussion with Mr. Anderson regarding his qualifications to take the Journey Plumber Examination, a **MOTION** was made by Board Member Swindell and supported by Board Member Jones to allow Mr. Anderson to take the Journey Plumber Examination. **MOTION CARRIED.**

Mr. Rickey G. Gibson, Master Applicant, did not appear before the board as scheduled.

Mr. James J. Novinska, Master Applicant, appeared before the board requesting permission to take the Master Plumber Examination. Mr. Novinska provided documentation verifying his out-of-state license was obtained through substantially the same requirements as the State of Michigan.

After a discussion with Mr. Novinska regarding his qualifications to take the Master Plumber Examination, a **MOTION** was made by Board Member Jones and supported by Board Member Swindell to allow Mr. Novinska to take the Master Plumber Examination. **MOTION CARRIED.**

Mr. Thomas B. Perkins, Journey Applicant, appeared before the board requesting permission to take the Journey Plumber Examination. Mr. Perkins provided documentation verifying his out-of-state license was obtained through substantially the same requirements as the State of Michigan.

After a discussion with Mr. Perkins regarding his qualifications to take the Journey Plumber Examination, a **MOTION** was made by Board Member R. Gaber and supported by Board Member Howard to allow Mr. Perkins to take the Journey Plumber Examination. **MOTION CARRIED.**

Mr. Thomas R. Mulroy, Master Applicant, appeared before the board requesting permission to take the Master Plumber Examination. Mr. Mulroy provided documentation verifying his out-of-state license was obtained through substantially the same requirements as the State of Michigan.

After a discussion with Mr. Mulroy regarding his qualifications to take the Master Plumber Examination, a **MOTION** was made by Board Member R. Gaber and supported by Board Member Jones to allow Mr. Mulroy to take the Master Plumber Examination. **MOTION CARRIED.**

Mr. Gary J. Kennedy, Master Applicant, appeared before the board requesting permission to take the Master Plumber Examination. Mr. Kennedy provided documentation verifying his out-of-state license was obtained through substantially the same requirements as the State of Michigan.

After a discussion with Mr. Kennedy regarding his qualifications to take the Master Plumber Examination, a **MOTION** was made by Board Member R. Gaber and supported by Board Member Howard to allow Mr. Kennedy to take the Master Plumber Examination. **MOTION CARRIED.**

Mr. Robert R. Schmidt Jr., Master Applicant, appeared before the board requesting permission to take the Master Plumber Examination. Mr. Schmidt provided documentation verifying his out-of-state license was obtained through substantially the same requirements as the State of Michigan.

After a discussion with Mr. Schmidt regarding his qualifications to take the Master Plumber Examination, a **MOTION** was made by Board Member Jones and supported by Board Member Swindell to allow Mr. Schmidt to take the Master Plumber Examination. **MOTION CARRIED.**

Mr. Walter F. Sullivan, Master Applicant, appeared before the board requesting permission to take the Master Plumber Examination. Mr. Sullivan provided documentation verifying his out-of-state license was obtained through substantially the same requirements as the State of Michigan.

After a discussion with Mr. Sullivan regarding his qualifications to take the Master Plumber Examination, a **MOTION** was made by Board Member Jones and supported by Board Member Swindell to allow Mr. Sullivan to take the Master Plumber Examination. **MOTION CARRIED.**

4. GOOD MORAL CHARACTER APPEALS

Mr. James M. Bell, Master Plumber Applicant, did not appear before the board as scheduled.

Mr. Christian J. Benn, Apprentice Applicant, requested to appear before the board following a Notice of Denial for Apprentice Registration.

Following a review and discussion with Mr. Benn, a **MOTION** was made by Board Member Jones and supported by Board Member Howard to approve Mr. Benn to register as an apprentice after his probation period has been completed. It will be the responsibility of Mr. Benn to send the Plumbing Division a copy of the certified information indicating that his probation period has been cleared. Mr. Benn's present application will be used and a records check will be conducted to verify that he has no new convictions. **MOTION CARRIED.**

5. CONSTRUCTION CODE APPEALS REQUEST

Clio Area Schools - Clio High School Athletic Facilities - CCC-PLBG-08-005

Mr. Don Lee from THA Architect, Mr. Joel Clappe, and Fletcher Spears III, superintendent of Clio Schools, presented the board a construction code appeal request to allow the use of reduced number of plumbing fixtures and utilize fixtures in adjacent buildings. They have increased the seating capacity by replacing the stands and not updating the existing concession stand restrooms which has 3 Female water closets and 1 Male water closet plus 2 urinals.

Following a review and discussion, a **MOTION** was made by Board Member Jones and supported by Board Member Howard to approve the variance request for Clio Area Schools, Clio High School, with the following condition: Signs shall be posted to direct attendees to the additional available restrooms which will be verified to the board by photographs. Further, a letter following a year of operation shall be provided providing an operational update. **MOTION CARRIED.**

Kingscott Assoc. Inc. - Mt. Pleasant H.S. Stadium Field House - CCC-PLBG-08-004

Ms. Lynn Hartman from Kingscott Associates Inc., and Mr. Peter Trezisa, Superintendent Mt. Pleasant, presented the board a construction code appeal request to allow the use of reduced number of plumbing fixtures and utilize fixtures in adjacent portions of the building.

A **MOTION** was made by Board Member Jones and supported by Board Member Howard to table the request until the following items are addressed:

1. The board shall be provided a clear representation of the distance of the restrooms.
2. A signed letter by the school authority stating the alternate restrooms will be available and the school will remain open when the stadium is in use for any events.
3. Details shall be provided concerning the fence in between the baseball fields and the stadium.
4. Signs shall be posted to direct attendees to the additional available restrooms which will be verified to the board by photographs.

MOTION CARRIED.

Ada Christian School - Additional Gymnasium - CCC-PLBG-08-006

Mr. Dennis J. Bekken, Mr. Duane Shore, and Mr. Dale Boone presented the board a construction code appeal request to allow the use of reduced number of plumbing fixtures near the new gym by utilizing fixtures in adjacent portions of the building. They have increased the seating capacity by adding another gymnasium.

Following a review and discussion, a **MOTION** was made by Board Member Jones and supported by Board Member Howard to approve the variance request for Ada Christian School, Additional Gymnasium, with the following conditions: A letter signed by the school authorities stating the alternate restrooms will be available when the gym is in use for any events and signs shall be posted to direct attendees to the additional available restrooms which will be verified to the board by photographs. **MOTION CARRIED.**

Beta Design - West Catholic High School Gymnasium Addition -CCC-PLBG-08-007

Mr. Daniel M. Hill from BETA Design, Mr. Garson Sibee from BETA Design, and Mr. Chad Wieber, Director of Development, presented the board a construction code appeal request to allow the use of reduced number of plumbing fixtures and utilize fixtures in adjacent portions of the building. They have increased the seating capacity by adding another gymnasium. The occupancy load has been provided as being 1694. They have provided 5 Female water closets and 5 Male water closets. Additional fixtures are available to occupants within close proximity down the halls.

Following a review and discussion, a **MOTION** was made by Board Member Howard and supported by Board Member Jones to approve the variance request for West Catholic High School, Gymnasium Addition, with the following conditions: Signs shall be posted to direct attendees to the additional available restrooms which will be verified to the board by photographs. Further, a letter following a year of operation shall be provided providing an operational update. **MOTION CARRIED.**

Whiteford Assoc. Inc. - Thirlby Field Athletic Facility - CCC-PLBG-08-008

Mr. James A. Zachaw, an Architect from Whiteford Association Inc., presented the board a construction code appeal request to allow the structure as designed which included a reduced number of plumbing fixtures. The design was based upon the 1990 BOCA Plumbing Code with Part 7 Rules which was in affect during 1996 when the field was designed and the plumbing underground was installed.

Following a review and discussion, a **MOTION** was made by Board Member Jones and supported by Board Member Cotanche to approve the variance request for Thirlby Field Athletic Facility. **MOTION CARRIED.**

6. PRODUCT APPROVAL

American Pipe Lining, Inc. - APL-2000 Epoxy Pipe Coating Material BCCP-06-010

Mr. Konyndyk presented the board a product approval request from American Pipe Lining, Inc. for APL-2000 Epoxy Pipe Coating Material.

A **MOTION** was made by Board Member Swindell and supported by Board Member Howard to remove American Pipe Lining, Inc. from the table. **MOTION CARRIED.**

A **MOTION** was made by Board Member Swindell and supported by Board Member Howard to forward the product to the Commission for approval. **MOTION CARRIED.**

Liberty Pumps Inc. - Emergency Sump Pump - BCCP-06-019

The division was requested to obtain additional information prior to any further action by the Board.

Watkins & Himelhock - Interceptor - BCCP-07-008

Mr. Konyndyk provided the board a product approval request from Watkins & Himelhock for Precast Concrete 1250 gallon and 1500 gallon interceptors.

A **MOTION** was made by Board Member Swindell and supported by Board Member Howard to remove Watkins & Himelhock from the table. **MOTION CARRIED.**

A **MOTION** was made by Board Member Swindell and supported by Board Member Howard to forward the product to the Commission for approval. **MOTION CARRIED.**

Grand Hall USA, Inc. - Eternal Hybrid Water Heater - BCCP-07-014

Mr. Konyndyk provided the board a product approval request from Grand Hall USA, Inc. for Eternal Hybrid Water Heater.

A **MOTION** was made by Board Member Swindell and supported by Board Member Jones to remove Grand Hall USA, Inc. from the table. **MOTION CARRIED.**

A **MOTION** was made by Board Member Swindell and supported by Board Member Jones to forward the product to the Commission for approval. **MOTION CARRIED.**

Bradley Corp. - Patient Care Module - BCCP-08-007

Mr. Konyndyk provided the board a product approval request from Bradley Corp. for Patient Care Module.

Mr. Konyndyk requested minor information details of Bradley Corp. on February 13, 2008. A **MOTION** was made by Board Member Howard and supported by Board Member R. Gaber to forward the product to the Commission for approval following receipt of the correct information and evaluation by Mr. Konyndyk. **MOTION CARRIED.**

SFA Saniflo Inc. Macerating Systems Saniplus, Sanirest, Sanegaind, Sanipro and Saniflush toilet - BCCP-08-006

The division has requested additional information in writing. Receipt and evaluation is required prior to any further action by the Board.

Noble Company - Noble Seal TS - BCCP-08-005

Mr. Konyndyk provided the board a product approval request from Noble Company for Noble Seal TS.

A **MOTION** was made by Board Member Jones and supported by Board Member Swindell to forward the product to the Commission for approval. **MOTION CARRIED.**

7. CHIEF'S REPORT

Mr. Konyndyk provided information on the following issues:

1. Mr. Konyndyk informed the board of the 2009 code committee meeting that was held last week.
2. Mr. Konyndyk will be attending the Nashville, Tennessee International Code Council examination development committees.
3. Mr. Konyndyk will be attending an International Code Council committee meeting for plumbing mechanical gas evaluation services.
4. Mr. Mark Sisco, Deputy Director for the Bureau of Construction Codes, has announced that he is planning on retiring after 34 years of service with the State of Michigan on May 1, 2008.

8. LICENSING ACTION

The board reviewed the license action agreement signed by James D. Smith. The action was in conjunction with a settlement agreement for America's Best Sewer & Drain Service LLC.

The board reviewed the license action agreement signed by Raymond A. Oatman. The action was in conjunction with a settlement agreement for A-O.K. Plumbing, Inc. Mr. Konyndyk provided details concerning both of the above events.

A **MOTION** was made by board Member Swindell and supported by Board Member Jones to accept the settlement agreements. **MOTION CARRIED.**

KEITH W. COOLEY
DIRECTOR

March 31, 2008

Mr. Benjamin T. Rhoades
56463 Koskela Road
Calumet, MI 49913

Dear Mr. Rhoades:

The Plumbing Division has received your Application for the **Journey Plumber Exam**. The Plumbing Division is scheduling you to appear before the State Plumbing Board for consideration of your out-of-state experience. The next meeting will be held on **June 3, 2008**, located at 2501 Woodlake Circle, Okemos, Michigan. Your appointment is at **10:15**. A map is enclosed for your convenience.

You will be required to provide your original license issued from the **State of Montana** and their licensing rules and regulations.

If an applicant has out-of-state experience, but not licensed, the applicant must provide a license certification letter from that state's licensing board to verify their employer held a license as a plumbing contractor during their employment. Further, each master plumber, or equivalent, that supervised you, as an apprentice plumber must furnish Affidavits of Employment.

Pending the decision of the board, it would be advisable to be prepared for the examination to be held on **June 4, 2008**, located in East Lansing, Michigan.

If you have any further questions, or are unable to attend, contact this office at 517/241-9330.

Sincerely,

Robert G. Konyndyk, Chief
Plumbing Division

Background Information

Have you been convicted of a felony or misdemeanor? ☐ Yes ☒ No

If yes, complete the Conviction History section below. Failure to accurately respond to this question will result in you forfeiting any rights of consideration for examination and issuance of a plumber's license in the state of Michigan.

Conviction History

In accordance with the Former Offenders Act, 1974 PA 381, this is to provide you with an opportunity to explain your affirmative response to the question above which asked if you had been convicted of a felony or misdemeanor.

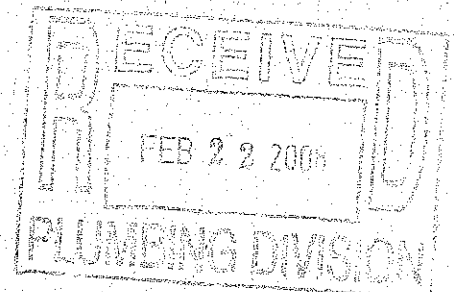

If you are unsure of exact details, respond to the best of your knowledge. The information requested on this form is required under 2002 PA 733 and will be used to process your application. Attach addition sheet(s) if necessary.

YOUR NAME WHEN CONVICTED

Conviction History Certification and Signature (To be signed only if Conviction History section above is completed)

I hereby certify the statements and facts provided are true and accurate to the best of my knowledge. By signing this form, I give my permission to allow the Bureau of Construction Codes and Fire Safety to contact appropriate agencies regarding my record of conviction(s).

SIGNATURE	DATE
-----------	------

Experience Record

Master plumbers completing the work history information shall begin with the most recent employment and continue in reverse time order. Describe the type of work performed in detail to enable the reviewer to correctly evaluate qualifications. List each position held as an apprentice plumber. If there is a lapse in employment (military service, jobs unrelated to plumbing, unemployment, etc.) please explain.

Part-Time Experience

If the applicant has any part-time experience, or if period of employment starts before graduation from high school or while attending college, a separate sheet on company letterhead must be attached documenting exactly how many hours were worked each week during the period. The attached sheet must also be notarized and signed by the authorized master plumber including his/her license number.

Out-of-State/Country Experience

A person who is licensed as a journey plumber in another state or country may qualify for examination upon a determination by the Board that the license was obtained by the person through substantially the same or equal requirements as those of the State of Michigan. Out of state/country applicants must provide a copy of their current license with the licensing rules and regulations from that state/country. If the applicant has out-of-state/country experience, **but not licensed**, the applicant must provide a license certification letter from that state's licensing entity to verify their employer held a license as a plumbing contractor during their employment.

Mr. Edward J. Foran
377 China Hill Court
Apopka, FL 32712

Dear Mr. Foran:

The Plumbing Division has received your Application for the **Master Plumber Exam**. The Plumbing Division is scheduling you to appear before the State Plumbing Board for consideration of your out-of-state experience. The next meeting will be held on **June 3, 2008**, located at 2501 Woodlake Circle, Okemos, Michigan. Your appointment is at **10:30**. A map is enclosed for your convenience.

You will be required to provide your original license issued from the **State of Florida** and their licensing rules and regulations.

If an applicant has out-of-state experience, but not licensed, the applicant must provide a license certification letter from that state's licensing board to verify their employer held a license as a plumbing contractor during their employment. Further, each master plumber, or equivalent, that supervised you, as an apprentice plumber must furnish Affidavits of Employment.

Pending the decision of the board, it would be advisable to be prepared for the examination to be held on **June 4, 2008**, located in East Lansing, Michigan.

If you have any further questions, or are unable to attend, contact this office at 517/241-9330.

Sincerely,

Robert G. Konyndyk, Chief
Plumbing Division

Dear Mr. Marx:

The Plumbing Division has received your Application for the **Journey Plumber Exam**. The Plumbing Division is scheduling you to appear before the State Plumbing Board for consideration of your out-of-state experience. The next meeting will be held on **June 3, 2008**, located at 2501 Woodlake Circle, Okemos, Michigan. Your appointment is at **10:40**. A map is enclosed for your convenience.

You will be required to provide your original license issued from the **State of Wisconsin** and their licensing rules and regulations.

If an applicant has out-of-state experience, but not licensed, the applicant must provide a license certification letter from that state's licensing board to verify their employer held a license as a plumbing contractor during their employment. Further, each master plumber, or equivalent, that supervised you, as an apprentice plumber must furnish Affidavits of Employment.

Pending the decision of the board, it would be advisable to be prepared for the examination to be held on **June 4, 2008**, located in East Lansing, Michigan.

If you have any further questions, or are unable to attend, contact this office at 517/241-9330.

Background Information

Have you been convicted of a felony or misdemeanor? ☐ Yes ☒ No

If yes, complete the Conviction History section below. Failure to accurately respond to this question will result in you forfeiting any rights of consideration for examination and issuance of a plumber's license in the state of Michigan.

Conviction History

In accordance with the Former Offenders Act, 1974 PA 381, this is to provide you with an opportunity to explain your affirmative response to the question above which asked if you had been convicted of a felony or misdemeanor.

If you are unsure of exact details, respond to the best of your knowledge. The information requested on this form is required under 2002 PA 733 and will be used to process your application. Attach additional sheet(s) if necessary.

YOUR NAME WHEN CONVICTED	
INDICATE CONVICTION(S) FOR WHICH YOU WERE CHARGED	
DATE(S) OF CONVICTION(S) AND SENTENCE(S)	
NAME AND ADDRESS OF SENTENCING COURT(S)	
CHECK YES OR NO TO THE FOLLOWING	
1. Are you a current inmate? <input type="checkbox"/> Yes <input checked="" type="checkbox"/> No	
2. Are you currently on probation / parole? <input type="checkbox"/> Yes <input checked="" type="checkbox"/> No	
If yes, provide the name, address and telephone number of the correctional facility, probation officer or parole officer.	
RELEASE DATE FROM CUSTODY, PROBATION OR PAROLE	
REHABILITATION PROGRAMS ENROLLED IN OR COMPLETED	

Conviction History Certification and Signature (To be signed only if Conviction History section above is completed)

I hereby certify the statements and facts provided are true and accurate to the best of my knowledge. By signing this form, I give my permission to allow the Bureau of Construction Codes to contact appropriate agencies regarding my record of conviction(s).	
SIGNATURE OF APPLICANT	DATE

Experience Record

Master plumbers completing the work history information shall begin with the most recent employment and continue in reverse time order. Describe the type of work performed in detail to enable the reviewer to correctly evaluate qualifications. List each position held as an apprentice plumber. If there is a lapse in employment (military service, jobs unrelated to plumbing, unemployment, etc) please explain.

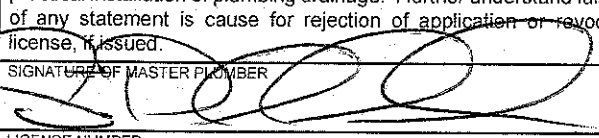

Part-Time Experience

If the applicant has any part-time experience, or if period of employment starts before graduation from high school or while attending college, a separate sheet on company letterhead must be attached documenting exactly how many hours were worked each week during the period. The attached sheet must also be notarized and signed by the authorized master plumber including his/her license number.

Out-of-State/Country Experience

A person who is licensed as a journey plumber in another state or country may qualify for examination upon a determination by the Board that the license was obtained by the person through substantially the same or equal requirements as those of the state of Michigan. Out of state/country applicants must provide a copy of their current license with the licensing rules and regulations from that state/country. If the applicant has out-of-state/country experience, but not licensed, the applicant must provide a license certification letter from that state's licensing entity to verify their employer held a license as a plumbing contractor during their employment.

Dear Ms. Lovell:

Attached is a Notice of Hearing regarding an appeal from the requirements of Section 403.1, of the Michigan Plumbing Code.

This hearing is in response to your request to appeal for relief from the requirements of the above referenced code section.

Please be prepared to address the board's concern and provide any information, which will aid in their decision. Also please respond to the following topics in order to clarify your consideration request:

1. Provide a site plan indication all the structures locations.
2. Provide an architectural plan view of each of the structures.
3. Provide a clarification of which buildings you are discussing related to your submission diagrams. The various illustrations do not relate to your March 24, 2008 request correspondence.
4. What is the status of construction?
5. What is the field occupancy load?
6. Provide copies of the plan review correspondence received in this matter. This division does not provide the plan review services.

If you have any further questions prior to the meeting, contact me at (517) 241-9330.

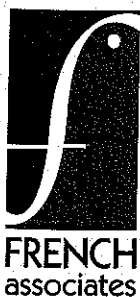

Sincerely,

Robert G. Konyndyk, Chief
Plumbing Division

Dear Mr. Konyndyk,

Please find attached additional plan information we discussed during a phone conversations on Wednesday, April 16, 2008. I've included 11 copies of the following:

1. Site Plan A1.00S, for relationship of Out Buildings to Exist. High School and to each other.
2. Existing Composite Lower Level Floor Plan, for relationship of existing interior toilet facilities to the Out Building (Outline).
3. Activities Center Locker Building Plans A2.30, for toilet fixture layout.
4. Activities Center Toilet & Concession Building Plans A2.31, for toilet fixture layout.

I hope this clears up confusion of relationship and locations of buildings, Activities Center and fixtures. Please contact me with any questions and with information regarding our Appeal Committee meeting.

Sincerely,

Barb Lovell

Kingscott Assoc. Inc. - Mt. Pleasant H.S. Stadium Field House - CCC-PLBG-08-004

Ms. Lynn Hartman from Kingscott Associates Inc., and Mr. Peter Trezisa, Superintendent Mt. Pleasant, presented the board a construction code appeal request to allow the use of reduced number of plumbing fixtures and utilize fixtures in adjacent portions of the building.

A **MOTION** was made by Board Member Jones and supported by Board Member Howard to table the request until the following items are addressed:

1. The board shall be provided a clear representation of the distance of the restrooms.
2. A signed letter by the school authority stating the alternate restrooms will be available and the school will remain open when the stadium is in use for any events.
3. Details shall be provided concerning the fence in between the baseball fields and the stadium.
4. Signs shall be posted to direct attendees to the additional available restrooms which will be verified to the board by photographs.

MOTION CARRIED.

RE: New Field House and Concessions Building
Mt. Pleasant High School
Mt. Pleasant, Michigan
2694-04 AF

Occupancy 4400
2200M 2200W

Dear Mr. Konyndyk,

On behalf of Mt. Pleasant Public Schools, I am writing you this letter in an effort to reduce the number of lavatories, water closets, and drinking fountains required at their proposed new field house and concession building.

The existing Mt. Pleasant High School stadium facility seats 4400 (2200 on the home football side and 2200 on the visitor football side). 2003 Michigan Plumbing Code, Table 403.1 indicates the following is required for Occupancy type A-5:

Women: (50) sinks, (50) water closets, and (2) drinking fountains
Men: (26) sinks, (26) water closets, and (2) drinking fountains
(1) service sink

The existing athletic stadium facility has the following plumbing fixtures available for the public's use:

Existing Concessions:

Women: (2) sinks, (5) water closets
Men: (2) sinks, (2) urinals, (3) water closets

Existing Baseball / Softball Restroom:

Women: (1) sink, (1) water closet
Men: (1) sink, (1) water closet

TOTAL EXISTING: (6) sinks and (10) toilet / urinal fixtures are currently available for the public's use.

The new field house and concessions building will completely replace the existing structure and proposes to include (10) new sinks, (24) new water closets, and (2) drinking fountains. The existing Baseball Softball Restroom will remain. Upon completion, the new facility (as proposed) will have the following plumbing fixtures:

New Concessions:

Women: (5) sinks, (12) water closets, (2) drinking fountains
Men: (5) sinks, (8) urinals, (4) water closets, (2) drinking fountains
(1) service sink

Existing Baseball / Softball Restroom:

Women: (1) sink, (1) water closet
Men: (1) sink, (1) water closet

TOTAL PROPOSED: (12) sinks, (26) toilet / urinal fixtures, and (4) drinking fountains available for the public's use.

This is a significant plumbing fixture upgrade at a manageable cost to the district. To provide the amount of new plumbing fixtures required by the plumbing code (noted above) would financially derail the project.

In addition, the sports events are minimally attended. The district keeps records of annual ticket sales for financial planning and offers the following actual attendance information in support of providing fewer fixtures:

Average attendance (from annual ticket sales) at football games:

2003-2004 season: 1248
2004-2005 season: 980
2005-2006 season: 1169
2006-2007 season: 1186

The actual occupancy for a single event will likely approach only 1300 (home and visitor football) and will only occur at 6 home football games per year. Also, the football / baseball seasons do not run concurrently.

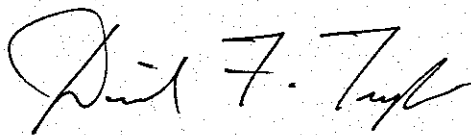

The district is agreeable to alternative solutions for access to plumbing fixtures during high attendance events. The High School restrooms could be made available or portable facilities could be provided. The existing High School has two sets of group restrooms conveniently located near exterior building entries on the athletic side of the facility (10) water closets and (8) sinks in one location and (7) sinks and (12) water closets in another location. Directional signage could be provided to direct athletic event participants to these locations.

*Distance from
what did AS 2100 code allow?*

A site plan and a building plan for the existing High School as well as the proposed new field house and concessions building is attached for your review. Thank you for your time and consideration.

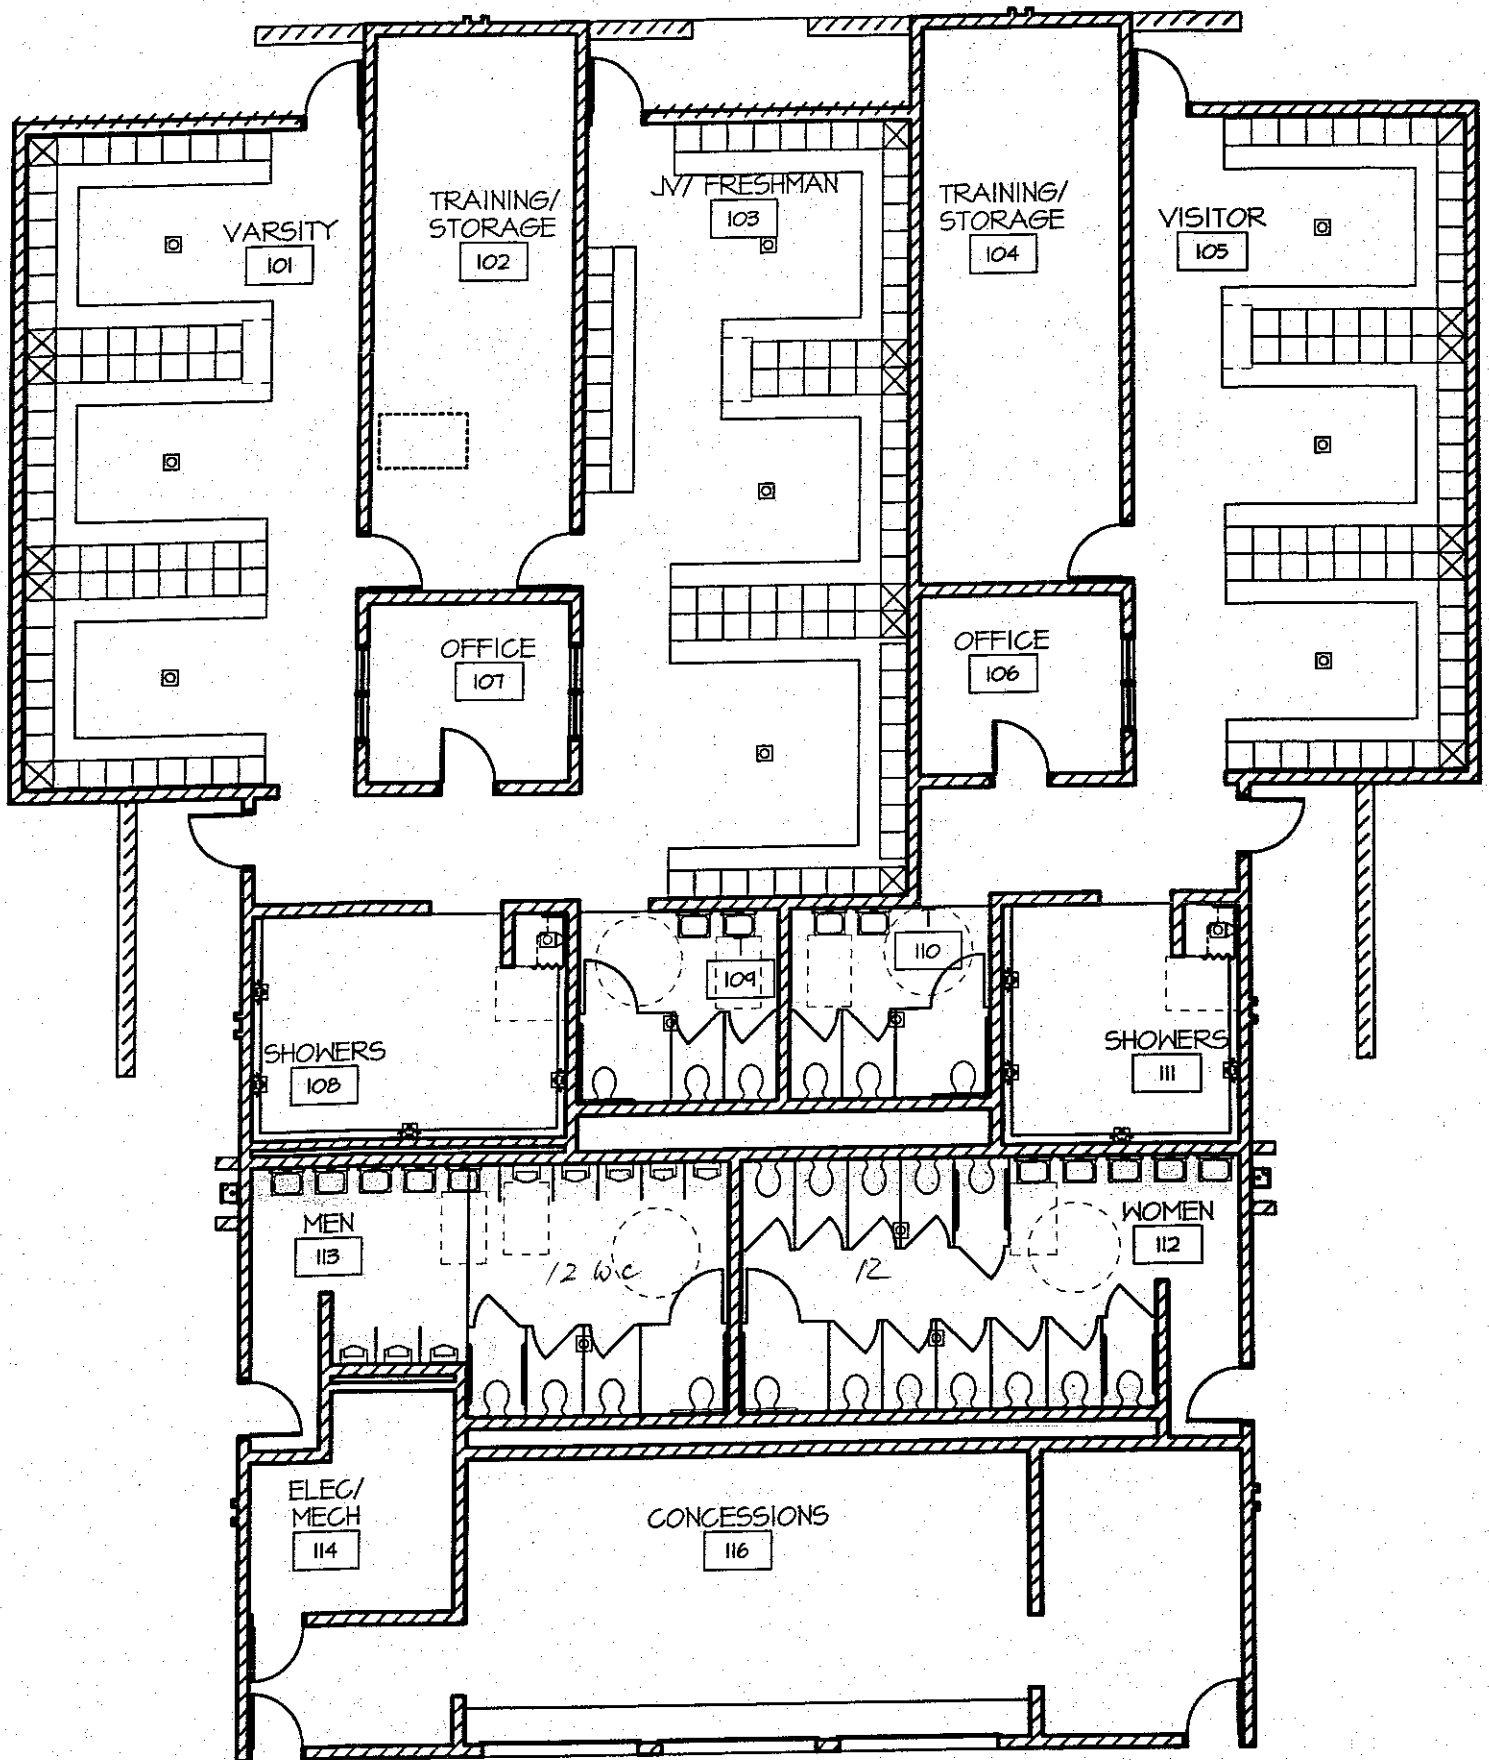

Sincerely,

KINGSCOTT ASSOCIATES INC

April 23, 2008

Mr. Ben Schneider
Granger Construction Company
2552 North Maple Road
Ann Arbor, MI 48103

Dear Mr. Schneider:

I am writing in response to your recent telephone inquiry concerning Ann Arbor Sky Line High School related to its lack of code compliance and a written violation. This correspondence explains our position in this matter and will address your concerns for a temporary occupancy of the structure.

Peter Basso Associates Inc. has been informed of our concerns related to the lack of code compliance for trap seal primers on several occasions. They have filed an appeal with the Bureau of Construction Codes for resolution more than a year after our initial concerns were clarified. Further, their communications directed to our field inspector and their April 16, 2008 letter of explanation is inaccurate. They will be issued a Notice of Hearing scheduled for June 3, 2008 within the next week.

The Bureau is committed to assuring the structure is safe and meets the code, prior to issuing a final Certificate of Occupancy. Your request for a temporary occupancy certificate is contingent upon a limited use of the structure until our concerns are resolved. Please define how you will use the facility. That information should include and not be limited to a schedule of events, which would include the projected occupancy numbers and locations in the structure prior to school opening.

I am providing this correspondence by facsimile and hard copy will follow by mail in order to expedite your concerns. Please contact me at (517) 241-9330 if you have any questions prior to your written communication.

Sincerely,

Robert G. Konyndyk, Chief
Plumbing Division

Attention: Mr. Bob Konyndyk

Subject: Request for Variance – Trap Primers
PBA Project No. 2004.0216
Ann Arbor Skyline High School
Ann Arbor Public Schools
Ann Arbor, Michigan

Mr. Konyndyk,

This letter is requesting approval for the installed ASSE 1044 electronic trap primer manifold systems in the mechanical mezzanines and mechanical rooms at the new Ann Arbor Skyline High School. Mr. Page visited the site April 15, 2008 and cited a violation under the permitted 2003 Michigan Plumbing Code section 1002.4.

Our conversation on this topic occurred about one year ago on May 25, 2007 (see attachment B). No further discussion was to occur until the \$500.00 application fee was submitted. Shortly after our conversation, the proposed shop drawings for currently installed electronic trap primer manifold systems indicated the products were ASSE 1044 approved (see attachment A). The project team felt the proposed equipment to be installed met the intent of the 2003 Michigan Plumbing Code, and no further action was taken on the proposed variance.

Per our telephone conversation today, we acknowledge your comments on this issue and I apologize for the confusion. As discussed, Ann Arbor Public Schools is holding a public dedication on April 26, 2008 and requires a Certificate of Occupancy which the State Building Inspector will not grant until this issue is resolved. Your attention to the matter is greatly appreciated.

If there is any other documentation that you might need, please feel free to contact me via e-mail at dcrowe@pbanet.com or by phone at 248-879-5666.

Respectfully,

PETER BASSO ASSOCIATES, INC.

Derek A. Crowe, PE

RE: **Bloomington Public Schools**
Plumbing Fixture Count for Athletic Field Restroom Facility

Dear Mr. Konyndyk:

This letter is a follow-up to the January 30, 2008 letter in which URS is seeking an exception for Bloomington Public Schools from the code requirement to meet public toilet number fixture count. Included with that letter was an overall site layout which indicated the new proposal and the existing toilet facilities with distance, the new proposed toilet facilities with sign locations, and a letter from Bloomington Public Schools stating the existing building facilities will be open for athletic events. URS is resubmitting that letter and referenced attachments, along with the "Application for Construction Code Appeal" and a \$500 application check.

It is my understanding that, through your telephone call to Ralph Moxley of URS, a variance appeal is set for Tuesday, June 3, 2008 so the School and URS can present this variance request to your Board. Please confirm date, time and location. We look forward to the opportunity of obtaining approval.

Please call me at 616-574-8588 if you have any questions regarding the information presented in this letter or the attachments.

Sincerely,

URS Corporation

RE: **Bloomington Public Schools**
Plumbing Fixture Count for Athletic Field Restroom Facility

Dear Mr. Konyndyk:

In May of 2007, Bloomington Public Schools passed a \$5,000,000 bond issue to upgrade their athletic fields at the High School. A key component of the project will be a new restroom facility for the public at the High School stadium. Enclosed for your review is a site plan of the stadium and related support buildings, along with a floor plan of the new restroom facility. The public toilet rooms are marked in yellow.

The football/soccer stadium and the baseball stadium at Bloomington High School will seat approximately 1,315 spectators. Referring to the State Plumbing Code (Section 403.1) to determine the number of fixtures required to support this capacity, we calculate the following number of fixtures required for this stadium (assembly):

Female (658): 17 water closets and 5 lavatories
Male (658): 3 water closets, 6 urinals and 4 lavatories

Although the proposed new toilet facility at the stadium more than doubles the number of fixtures available to the public, the total number at the stadium is less than the number required by code.

We seek an exception from this code requirement on the basis that the public toilets at the existing Middle School building that is adjacent to the stadium will be open and available to the public during events (marked in orange on the site drawing). This facility is located approximately 260 ft. from the proposed new restroom building at the northeast corner of the stadium.

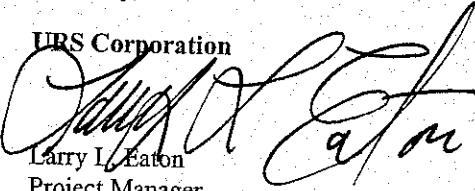

Permanent signs will be attached to both public toilet rooms at the stadium, directing the public to the additional toilet facilities at the Middle School.

Dr. Brett Geier, Superintendent for Bloomington Public Schools, has written a letter reinforcing the District's commitment to providing access to the existing High School/Middle School building for the public during sporting events. A copy of that letter is included for your reference.

Please call me at 616-574-8588 if you have any questions regarding the information presented in this letter of the attachments.

Sincerely,

URS Corporation

Mr. Shaun J. Simon
318 W. Grand River Apt. #31
Lansing, MI 48906

Dear Mr. Simon:

I am writing in response to your appeal requesting to appear before the State Plumbing Board in the matter of a denial for **Registration for Plumber's Apprentice**.

The Plumbing Division is scheduling you to appear before the board at the next scheduled meeting. That meeting will be held on **June 3, 2008**, at the Michigan Department of Labor & Economic Growth, Bureau of Construction Codes, 2501 Woodlake Circle, Conference Room No. 3, Okemos, Michigan. Your appointment is at **12:00 p.m.**

Upon completion of the board's review, the applicant shall be informed of the board's decision. Applicants approved by the board shall be required to reapply for **registration for plumber's apprentice** by use of the proper form and fee. Applicants denied by the board will be informed of the appeal process methodology.

If you have any questions or are unable to attend, contact this division at (517) 241-9330.

Sincerely,

Robert G. Konyndyk, Chief
Plumbing Division

Mr. Gerald S. Wagner
607 N. Clinton Avenue #3
St. Johns, MI 48879

Dear Mr. Wagner:

I am writing in response to your February 12, 2008 letter requesting to appear before the State Plumbing Board in the matter of a denial for **Registration for Plumber's Apprentice**. The following motion was made at the February 27, 2007 State Plumbing Board Meeting:

Mr. Gerald S. Wagner, Apprentice Applicant, requested to appear before the board following a Notice of Denial for Apprentice Registration.

Following a review and discussion with Mr. Wagner, a **MOTION** was made by Board Member Jones and supported by Board Member M. Gaber to not accept Mr. Wagner's registration as an apprentice due to his probation extending to April 24, 2009. He may re-apply for apprentice registration in 18 months. At that time the board will review his probation records and recognize his experience. **MOTION CARRIED.**

The Plumbing Division is scheduling you to appear before the board at the next scheduled meeting. That meeting will be held on **June 3, 2008** at the Michigan Department of Labor & Economic Growth, Bureau of Construction Codes, 2501 Woodlake Circle, Conference Room No. 3, Okemos, Michigan. Your appointment is at **12:45 p.m.**

Upon completion of the board's review, the applicant shall be informed of the board's decision. Applicants approved by the board shall be required to reapply for **registration for plumber's apprentice** by use of the proper form and fee. Applicants denied by the board will be informed of the appeal process methodology.

If you have any questions or are unable to attend, contact this division at (517) 241-9330.

Sincerely,

Robert G. Konyndyk, Chief
Plumbing Division
